Headteacher: Mr R J Griffin, BA (Hons), PGCE, MA
Deputy Headteacher: Mrs J Poplett, BA (Hons), PGCE
Senior Assistant Headteacher: Mrs A Peters, BA (Hons), PGCE

4th October 2019

Dear parents and carers,

OFSTED INSPECTION 18TH AND 19TH SEPTEMBER 2019

As you are aware, on 18th and 19th September 2019, Purley Oaks Primary School received a 'Section 5' inspection from Ofsted. This was a full inspection under the new framework which was introduced on 1st September 2019.

The inspection was very different to the one conducted at the end of last year. We were told many times by the inspectors that *'the bar has been raised'*, that *'getting graded as good is really good'* and that *'staff clearly go above and beyond what is normally expected of them'*.

As you can see from the report we were graded 'Good' in every area.

We were the first school in Croydon to be inspected under the new framework and it will be interesting to hear feedback from other schools once they are inspected.

This is fantastic news for everybody involved with Purley Oaks Primary School and you will appreciate how thrilled we are to gain this recognition.

I would like to thank all the children, staff and governors for their continued hard work and to all of you for your continued support, which has been invaluable.

Yours sincerely,

Mr R J Griffin
Headteacher
