

COVID 19: Returning to School: Practicalities Plan – September 2020

Minimising Risk and Response to Infection and Symptoms

Issue	Actions Needed	Success Criteria	COST
<p>Cross contamination</p>	<ul style="list-style-type: none"> • Create ‘corridor/year group bubbles’ – Reception, Nursery, Year 1, Year 2, Year 3 and Year 4, Year 5 and Year 6 and Maple • The DfE has stated that children passing each other briefly in a corridor or playground (e.g. walking past each other) is a relatively 'low risk'. Minimise the number of times this happens during the day. • Staff to remain in ‘corridor bubbles’ including students • Ideally, adults should maintain two-metre distance from each other and children. We know that this is not always possible, particularly when working with younger children, but if adults can do this when circumstances allow, it will help. In particular, they should avoid close face-to-face contact and minimise time spent within one metre of anyone. • Interventions can be taught as normal within corridor bubbles – staff to maintain 2 metres social distance. Use hall, gym, Acorn and LRC for phonics • PPA as normal – staff to maintain 2 metres social distance • PPA room – staff to wipe down surfaces before and after use • KS2 Classrooms to be arranged with forward facing desks. EYFS and KS1 furniture to remain as normal. • Keep windows open to aid ventilation - opening high level windows in preference to low level to reduce draughts. • Breakfast club and after school club to restart (these are mainly consistent groups) – children to maintain ‘corridor bubbles’ in breakfast club • Children to walk through playground to classes in morning from breakfast club • Workshops strictly by invitation to manage numbers 	<p>Children and staff remain in ‘corridor bubbles’ to reduce chance of infection.</p>	

High Risk, Medium Risk, Low Risk

<p>Drop off and collection times</p>	<ul style="list-style-type: none"> • Reduce number of adults on site – one adult only to bring children to school and to drop off at designated school gate – Staff on each gate Reception through main office gate; Nursery and Year 1 use CC gate; Years 2, 3, 4, 5 & 6 use gate by car park to enter the site. Exit for all parents, carers and pupils in the main playground should be via the Rolleston Road entrance. • Children in ground floor classrooms to go straight into class at 8.30am. • Nursery start at 8.30am and finish at 2.40pm • Year 1 and 2 to finish at 2.50pm to avoid crowding with years 3, 4, 5 & 6. • Site team to place line of cones in playground at the end of the day to separate Year 3 and 4 parents from the staff and classes • Site team to place barriers in playground at the end of the day to separate Year 5 and 6 parents from the staff and classes 	<p>A limited number of people on site will reduce infection rates and cases of the virus.</p> <p>Parents and children / staff may feel more reassured if we enforce social distancing.</p>	
	<ul style="list-style-type: none"> • All other classes leave normal time • Collection from designated classrooms exercising social distancing rules – staff to enforce • Encourage parents to vacate area as soon as child has been collected • Late collections – children sit in corridor outside classroom. Teacher calls office so they can call parents. Office call parents immediately. When the parent or carer arrives at the main office gate, the office will call the class teacher who will dismiss the child at the gate (maintaining social distancing). Parent or carer collecting late must wait outside the office gate. • Face covering to be worn by parents and carers on site • No 'lates' bookings 		
<p>Parents</p>	<ul style="list-style-type: none"> • Preference to call office or email rather than face to face contact • Parents can call office to ask a teacher to call back rather than after school lengthy discussions • No admittance for parents into building anywhere including main office – phone and email correspondence only • If a phone call will not suffice then parent meetings will be by invitation/appointment only. Social distancing rules apply. 	<p>Reduce face to face conversations in order to promote social distancing resulting in less spread of the virus on the school site.</p>	

High Risk, Medium Risk, Low Risk

<p>Registration, Playtimes, Lunchtimes and Assemblies</p>	<ul style="list-style-type: none"> • Children and staff to choose dinner options during morning registration • All children and staff to wash hands when entering and leaving their classrooms • Staggered playtimes in playgrounds by ‘corridor bubbles’ or by year group when possible • All climbing equipment cleaned at least daily • Outdoor learning to be staggered – arranged in year group • Revised lunchtime timetable • Packed Lunch in classes – covered by TAs for 15 minutes • Display a list of Wet Play rules and the activities allowed • Dining tables to be cleaned between sittings • LRC and Acorn room to be open to one corridor bubble per week with reduced numbers • Teachers lunchtimes – ensure social distancing rules maintained as far as possible by using staffroom and Apple room on rota basis. • Staff to remain on site throughout the day to avoid cross contamination with other ‘corridor bubbles’ and the general public. • Assemblies will be conducted via Microsoft Teams until further notice. • Ethos assemblies in hall per year group. 	<p>Reduce the risk of virus spreading in confined and open spaces.</p>	
<p>Meetings</p>	<ul style="list-style-type: none"> • Limit staff meetings (none planned) – if needed then in the hall so can social distance or conduct virtually • Continue virtual meetings for AOB, safeguarding, SMT and SLT • Virtual meet the teacher meetings in September • Focus on well-being and mental health of staff and children – NO CPD • Governor meetings – remain virtual 	<p>Limited number of people in a confined space will reduce the spread of infection and risk of catching C19.</p>	
<p>Visitors / Contractors</p>	<ul style="list-style-type: none"> • Limit visitors to site • Essential visitors only - complete disclosure form • A record will be kept of all visitors with sufficient detail to support rapid contact tracing if required by NHS Test & Trace. • Maintain social distancing during meetings • Wash hands and/or sanitiser on entry and exit • No volunteers until further notice 	<p>A limited number of people on site will reduce infection rates and cases of the virus.</p>	
<p>PPE recommendations</p>	<ul style="list-style-type: none"> • Follow government guidelines • Availability of PPE for staff to wear if they wish 	<p>Reduced spread of infection and risk of catching C19.</p>	

High Risk, Medium Risk, Low Risk

<p>Toilets</p>	<ul style="list-style-type: none"> • Only one child allowed at a time from each class • 20 second hand washing after each visit • Adult supervision • Additional cleaning 	<p>Limited number of people in a confined space will reduce the spread of infection and risk of catching C19.</p>	
<p>Extra cleaning and sanitisation will be required to ensure the site is as safe as possible</p>	<ul style="list-style-type: none"> • Extra daily cleaning hours established • Cleaning materials available for staff to use when necessary or desired • Extra deep clean to be arranged if notified of positive case of C19 • Extra cleaning and hygiene resources ordered and regular stock checks undertaken 	<p>Reduced spread of infection and risk of catching C19.</p>	
<p>Positive case or symptoms of C19 in whole school community</p>	<ul style="list-style-type: none"> • See Croydon’s flow chart at the end of this document • Isolation area for child to be created next to hall • Provide a remote learning offer via google classroom and workbooks for all children in the event of a localised or national lockdown, or for children who are having to self-isolate. 	<p>Reduced spread of infection and risk of catching C19. Reduce disruption to children’s learning.</p>	

COVID 19: Returning to School: Practicalities Plan – September 2020

School Operations

Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
Public transport	<ul style="list-style-type: none"> For the present, educational visits using public transport will be suspended Encourage families to walk and cycle where possible Families using public transport will be required to wear face coverings. 	Reduced number of children using public transport. Routine for removing face coverings established.	
Attendance	<ul style="list-style-type: none"> Attendance is compulsory. School to follow usual attendance policy. In the event of infection or symptoms staff and children follow flow chart at the end of this document. Some children may be advised to remain at home by their consultant – online and home learning resources will be provided. 	Attendance is in line with national averages.	
Anxiety from parents	<ul style="list-style-type: none"> Discuss concerns and provide reassurance of the measures that are being put in place to reduce the risk – direct to Welfare Officer and SMT 	Attendance is in line with national averages. Parents are confident that measures taken are sufficient to reduce the risk.	
Anxiety amongst staff team re C-19	<ul style="list-style-type: none"> Staff who are clinically vulnerable (including pregnant) or extremely clinically vulnerable will be advised to follow measures such as hand washing regularly and maintaining social distance as much as possible Staff who live with people who are clinically vulnerable or extremely clinically vulnerable will be advised to follow measures such as hand washing regularly and maintaining social distance as much as possible Leaders find time to talk to individual members of staff and reassure them and deal with any specific concerns HT to continue to update staff on evolving situation so everyone is informed including those working from home Focus will be on well-being and social issues for staff with encouragement to do more development CPD tasks if they wish to do so Signpost staff to free counselling/advice through unions, Employee Assistance Programme and Ed Psych service Leaders will be aware that some staff members may have experienced difficult circumstances at home during the lockdown period and continue to do so 	Risk is minimised for all staff especially those who are vulnerable. Staff will be motivated; morale will be as high as it can be. The school community will begin to be rebuilt. Staff feel well supported during the return period and confident returning to some sort of normality.	

High Risk, Medium Risk, Low Risk

<p>Staff working practices</p>	<ul style="list-style-type: none"> • INSET day meetings in September will be held in the main hall in small groups to ensure social distancing • AOB meetings will be held via Microsoft Teams at 8:15am on Tuesdays • Some staff meetings will be held via Microsoft Teams • Expectations beyond the school day are reduced – mark work together in class where possible e.g. maths, comprehension • OTrack to be updated as usual • There will be formal assessments in Summer 2021 – the government wants to measure the impact of the pandemic on progress • Greater focus on PSHE, reading, phonics, maths, outdoor learning and physical development in EYFS • Extra time at the beginning of each half term in autumn and spring for teachers to plan for ‘filling the gaps’ in reading, phonics, writing and maths. Need to incorporate summer term’s learning which has been missed. All other subjects as normal. • Admin team to work in isolation as much as possible in ‘office bubbles’ • Site team to maintain social distancing as much as possible • Catering team to adhere to good respiratory and hand washing hygiene • Staff are expected to be at work on 1st September – HT to discuss travel arrangements with staff due to quarantine guidance for some travel spots 	<p>Staff will be motivated; morale will be as high as it can be.</p> <p>Staff will have the chance to meet, talk and ask questions.</p> <p>The school community will begin to be rebuilt.</p> <p>Staff feel well supported during the return period and confident returning to some sort of normality.</p> <p>Staff have time to plan a revised reading, writing and maths curriculum based on the needs of the children.</p> <p>Children are on track by the end of the year/following year.</p> <p>Risk reduced for admin team. Risk reduced for site team.</p>	
--------------------------------	---	---	--

High Risk, Medium Risk, Low Risk

<p>Classroom resources</p>	<ul style="list-style-type: none"> • ALL SURFACES TO BE KEPT CLEAR AT THE END OF EVERY DAY • Children to have own stationery and tissues in trays provided by school – spread out trays around room and store under desks where possible • Children limit the amount of resources brought to school: lunch boxes and water bottles, coats, hats, book bags, PE kits and mobile phones (Y5&6) • Reading books can be taken home from class libraries and Big Cat scheme – ensure they are left for 72 hours upon return before sending out again • Marking of written work to be completed in line with policy – wash hands before and after, avoid touching face during this period, AVOID taking books home if possible • Resources that are shared between classes or bubbles, such as sports, computing, art and science equipment, should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for 48 hours (72 hours for plastics) between use by different bubbles • Outdoor play equipment to be cleaned more frequently • LRC remains closed until further notice – online borrowing system (LT) • LT to run virtual LRC visits for each class 	<p>Reduce risk of cross contamination</p>	
<p>Staff / Governors need to be aware of the stress that HT / senior leaders have faced and need to be considerate. Many HT / senior leader have had to make some very difficult decisions and have had to respond to a range of government guidance</p>	<ul style="list-style-type: none"> • Governors need to focus on the well-being of Headteacher and Senior Leaders – HT will liaise with personnel committee and Chair • Governor reports will be streamlined and very short as leaders need to be focussing on rebuilding the school community • Governor meetings remaining via Microsoft Teams • Check in calls for support to HT / Senior Leaders 	<p>HT / senior leaders will feel supported and there will feel as motivated and energised as is possible under the circumstances. Governors can fulfil their responsibilities.</p>	
<p>Lettings</p>	<ul style="list-style-type: none"> • Polish School to reopen • Holiplay to reopen • After school clubs to remain suspended due to cross contamination risk – review at half-term • Tutors to maintain social distancing, good respiratory and hand washing hygiene 	<p>Community relationships re-established. Risk of cross contamination reduced. Identified children receive ‘catch up’ sessions.</p>	

COVID 19: Returning to School: Practicalities Plan			
<i>Re-establishing expectations and routines</i>			
Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
It will take time for members of the school community to re-establish and re learn the expectations of the school, particularly learning and behaviour	<ul style="list-style-type: none"> • Ensure behaviour and learning expectations are re-established as soon as possible – use learning to learn in a new way • Staff to establish routines for moving around, entering and exiting classrooms to include handwashing, organisation of resources, hand-up policy for leaving seat, one child only to visit toilet, no touch policy • Children to make posters about new rules and routines • Remind children and staff about how to speak to each other, how to treat each other and the expectation in regard to attitudes. 	<p>Patterns of behaviour are re-established and the school’s expectations in regard to behaviour are adhered to</p> <p>Children will display the ethos and ARACE</p>	
Learning involves much practice and children will be out of practice in this respect	<ul style="list-style-type: none"> • Reinforce ethos, motto and ARACE • Leaders/teachers find time to talk to each class daily to remind them of these expectations and to place emphasis on the school being a safe environment where they are loved and cared for • Focus and emphasis on respecting each other 	<p>Children and staff know what is expected of them and feel cared for.</p> <p>Attitudes to learning are positive and much in line with what they used to be</p>	
Sleep patterns, routines, eating etc will have been disrupted during the lockdown	<ul style="list-style-type: none"> • Routines and expectations are set from the beginning, ensuring that the vast majority of children will feel secure and will know what is expected of them. • Remind children of use of the toilet • Government fruit scheme will resume in due course • Cool Milk delivery as normal 	<p>Normal school routines resumed</p>	
Children may have grown during lockdown and uniforms may no longer fit them. This situation could be exacerbated by financial issues faced by parents – maybe without full pay or no pay coming into the household	<ul style="list-style-type: none"> • Expectation to wear school uniform in line with policy but providing flexibility to allow additional, suitable indoor clothing during winter • Staff to wear smart work clothes in line with code of conduct 	<p>Financial support to be provided for those parents in need</p>	

COVID 19: Returning to School: Practicalities Plan

Child Mental Health

Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
Children may find being around large groups of people difficult, frightening and overwhelming	<ul style="list-style-type: none"> • ‘Corridor bubble’ or year group bubble playtimes • ‘Corridor bubble’ lunchtime • Lunch time outdoor activities list needed for supervisors • Calm, quiet areas in playgrounds • Keep noise levels as low as possible in class 	<p>Movement around the school is calm and well-ordered but kept to an absolute minimum.</p> <p>Lunchtimes are orderly and calm.</p> <p>Quiet places have been established in and out of the main building.</p>	
Children will have been with their parents / family members for extended periods of time and will find it difficult to separate from them	<ul style="list-style-type: none"> • Circle times to focus on separation and security • Staff should constantly reassure children that their parents are safe 	<p>Children feel minimum separation anxiety</p> <p>Children know they can talk to a member of staff when they are feeling insecure</p>	
Relationships will need to be rebuilt	<ul style="list-style-type: none"> • Remind children how to play together • Reward use of ARACE and ethos – in particular caring and resilience 	<p>Children will demonstrate the school ethos and ARACE</p>	

COVID 19: Returning to School: Practicalities Plan			
Curriculum			
Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
When children return to school, issues that may arise in relation to the curriculum:			
<p>Consider how we adapt the curriculum in the next few weeks</p> <p>Some children will have been doing a great deal of home learning, whilst others will have done little, or none at all</p>	<ul style="list-style-type: none"> Mental health and well-being, (PSHE), will be overarching focus when back - adapt rest of curriculum to ensure there is catch up of time lost particularly phonics, reading, speaking and listening, number, spelling, grammar, punctuation, handwriting As always, learning is based on the needs of the children and will need to be adjusted accordingly Reinforce characteristics of learning Home learning continue for those children who are isolating Outdoor non-contact sports should be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between children and paying attention to cleaning and hygiene. 	<p>Curriculum remains broad and balanced but enables children to learn vital skills missed in the summer term especially in English and maths.</p> <p>Risk reduced during PE lessons.</p>	

COVID 19: Returning to School: Practicalities Plan			
<i>Safeguarding</i>			
Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
<p>It is important to be aware that some children may well have experienced abuse or witness DV during the lockdown. (We know there has been a significant rise in DV).</p>	<ul style="list-style-type: none"> • More opportunities for children to talk about their experiences • Ensure there is a high focus on creating a safe environment • Create safe spaces for children to talk about their experiences • Ensure that all children have access to trusted adults who are trained to listen and respond effectively – increased use of family counsellor • All staff to receive extra safeguarding briefing on how to respond to disclosures – at AOB • Be aware that it may take some children a long time to disclose or reveal any abuse • Disclosures to be recorded and passed to safeguarding lead in line with policy 	<p>Systems are well established to deal with issues of disclosure.</p> <p>Safe environments have been established as a matter of priority.</p> <p>Children have been provided with a member of staff to talk to that they feel comfortable with about any issues that concern them.</p>	
<p>It is important that we are alert to children who may not have come under the radar before, and be aware that some may have suffered significant harm during this time.</p>		<p>All staff have received extra safeguarding briefings so they are very alert to certain issues.</p> <p>Staff are alert to any changes of behaviour in individuals</p>	
<p>Children / staff may have experienced a bereavement. We need to be aware that any illness of family members / friends will become a source of anxiety for children.</p>	<ul style="list-style-type: none"> • Alleviate any worries about any children that are not in school • Be transparent and direct when talking about bereavement – follow Bereavement Policy (part of Croydon HR policy) • Use circle times to address bereavement • Use of ELSA TAs to discuss issues with individual children 	<p>Staff are fully prepared to support any individual who has lost a member of their family or friends</p>	

COVID 19: Returning to School: Practicalities Plan			
<i>Special Education Needs</i>			
Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
The impact of all these issues may be even greater with children with SEND.	<ul style="list-style-type: none"> Behaviour expectations and routines should be constantly reinforced, reassuring children Reward systems previously in place should be re-adopted immediately Adaptations / special arrangements to routines may need to be considered 	<p>Children with SENd have returned to school and settled down into familiar routines, and feel happy and safe to be back in school.</p> <p>There are very few issues related to behaviour – no more than usual.</p>	
Maple class	<ul style="list-style-type: none"> Maple class (children from Years 5 & 6) to be taught full time for autumn term to maintain 'corridor bubble' 	Risk of cross contamination reduced.	
One to one support	<ul style="list-style-type: none"> Teaching assistants to work as normal whilst maintaining good respiratory and hand washing hygiene 	<p>Children receive support needed.</p> <p>Risk to staff reduced.</p>	
Transition to new year group	<ul style="list-style-type: none"> Use of social stories to prepare children for the return to school. Transition books to be sent to children with EHCP/those who require transition support. SEND gateway has resources. 	Children confident to return to school.	

COVID 19: Returning to School: Practicalities Plan			
Transition into EYFS			
Issue / Risk	Actions Needed / Points to consider	Success Criteria	COST
When children return in a transitioning year group, issues that need to be considered:			
New entrants will not have the usual transition experience and preparation for school.	<ul style="list-style-type: none"> • Week 1: 7-9-2020 • Nursery individual meetings in lieu of home visits – through nursery entrance • Reception meetings with parents (allow two) and child; start in hall with HT; groups of three from each class; 9.30am morning and 1.00pm afternoon (one hour); discussion and activities 	<p>Social distancing maintained for adults.</p> <p>Although the transition programme is different this year, parents have been provided will good quality information to enable their child to settle well into school life.</p> <p>New entrants are as familiar with their new school setting as they can be.</p> <p>Parents are very positive about the preparations the school has made to meet their child’s needs.</p> <p>The staggered start system worked well to support a positive start for all new entrants.</p>	
	<ul style="list-style-type: none"> • Week 2: 14-9-2020 • Nursery individual meetings in lieu of home visits • Reception part-time begins, five children from each class arriving at 8.45am, 9.00am and 9.15am to finish at 11.30am. • Afternoon session starts 12.30pm, 12.45pm, 1pm to finish at 3.00pm 		
	<ul style="list-style-type: none"> • Week 3: 21-9-2020 • Nursery part-time starts – four sessions per day each lasting one hour is this with parents • All Reception part-time in the morning with lunch – leave at 12.30pm 		
	<ul style="list-style-type: none"> • Week 4: 28-9-2020 • Nursery part-time continues – two-hour morning and afternoon sessions without parents • Reception full-time 		
	<ul style="list-style-type: none"> • Week 5: 5-10-2020 • Nursery full-time 		

What to do if there is a suspected or confirmed case of COVID-19 in education setting (early years, schools or colleges)

1 September 2020

Action Card 1 – PROCEDURE FOR SUSPECTED CASE AT PURLEY OAKS PRIMARY SCHOOL AND CHILDREN'S CENTRE	Progress
1. If suspected case is a pupil, either the class teacher or teaching assistant must immediately isolate the child in the Designated Isolation Zone (area by the hall). Class teachers to call for assistance within their corridor bubble if no TA available in their class.	
2. Adult accompanying child MUST wear PPE provided.	
3. Once in designated isolation zone the staff member calls the school office on the phone provided in the hall (extensions 101, 102, 103).	
4. The school office call parent or carer and ask them to collect their child immediately and book a test for as soon as possible.	
5. The school office immediately notify the headteacher or deputy headteacher on their mobile. The office will inform a member of the site team to go and clean the child's work area.	
6. The staff member remains with the child until their parent or carer arrives to collect them.	
7. When the parent or carer arrives at the school the office they will be asked to wait at the gate.	
8. When the parent or carer arrives at the school the office they will be asked to wait at the gate.	
9. The school office will call the designated isolation zone on extension 114 and ask the staff member to take the child out to the gate.	
10. The staff member should dispose of PPE in the bin in the designated isolation zone and then wash their hands thoroughly in the disabled toilet,	
11. After collection, the school office will notify a member of the site team who will empty the bin and fully clean surfaces in the designated isolation zone and disabled toilet.	
12. If suspected case is a member of staff, send them home immediately, minimizing contacts and surfaces touched while still on the premises	

Action Card 2 – SUSPECTED CASE	Progress
1. If suspected case is a pupil, isolate them in a safe space until taken home by parent or carer. If they cannot be collected by parent/carers, ask their transport provider to collect them	
2. Adults who accompany or care for a suspected case in isolation and coming within 2 m distance of them should wear gloves, aprons and masks	
3. In exceptional circumstances give the staff member or parent / carer a COVID-19 testing kit from school stock See guidance here	
4. If suspected case is a member of staff, send them home immediately, minimizing contacts and surfaces touched while still on the premises	
5. Clean the surfaces touched by the suspected case according to guidance .	
6. Contact suspected case (or their parent/carers) to: <ol style="list-style-type: none"> 1. Encourage them to follow guidance: suspected case to stay at home for 10 days; suspected case to request a test; household members to stay at home for 14 days. 2. Ask parent/carers to inform other education settings if siblings attend other settings 3. Encourage parents/carers to let contacts know to be very diligent in handwashing and social distancing 	
7. Inform transport provider passenger.transport@croydon.gov.uk , specialist support staff, social care, LAC team as appropriate	
8. Follow up parent/carers after 24 hours to see if they have requested a test and, if conducted, what the test result is.	
9. If a pupil is off sick, and a parent has not been in contact, the education setting should contact the parents to find out if the pupil has COVID-19 symptoms	
10. If there is an overall increase in sickness absence reporting where parents report illness with suspected COVID-19 (but where no tests have been done or results are available) email Education on educationenquiries@croydon.gov.uk , Public Health on covid-19@croydon.gov.uk and the PHE Health Protection team (LCRC) on 0300 303 0450 or LCRC@phe.gov.uk LCRC will provide a reference number for the incident.	
11. Ensure stock of PPE in the event of further suspected cases	

Action Card 3 - CONFIRMED CASE	Progress
1. Inform the Director of Education Shelley.Davies@croydon.gov.uk and the Director of Public Health Rachel.Flowers@croydon.gov.uk of the positive test, providing LCRC reference number if available	
2. Contact the London Health Protection team (LCRC) on 0300 303 0450 or LCRC@phe.gov.uk to inform them of the positive case (they may already have been in touch) and discuss next actions. LCRC will provide a reference number for the incident.	
3. Send home members of the same school grouping as the confirmed case to self-isolate for 14 days. This may be the “bubble” or a different group of pupils and staff – the decision as to who should self-isolate at home will be made with the support of the LCRC	
4. Contact confirmed case (or their parent/carers) to: <ol style="list-style-type: none"> a. Offer support b. Ask for an update on other members of the household especially those who are at other educational settings c. Ask parents to inform other settings d. Check that the rest of household are self-isolating e. Gather relevant information 	
5. Inform transport provider, specialist support staff, social care, LAC team as appropriate	
6. Send letters (based on template letters A and B) to identified contacts and their parents/carers. The letters do not identify individuals	
7. Review the implementation of prevention and control measures within the setting
