# PLANNERS

**Planners are a great source of information for parents and students.**

**Planners need to be in school every day.  
Planners will be checked once a week.**

# HOMework

## Reading-

Every child should be reading every day. They are responsible for ensuring that they record their reading daily. It is their decision how they record their reading. There are ideas in the planner. Also, the children will be given a reading comprehension weekly which they can access on Google Classroom.

## Spelling-

Children will be given a spelling rule and asked to collect words that follow the pattern. Children will access examples of the rules on Google Classroom. There will then be a spelling test on Friday in their planners.

# HOMework

## Maths -

Children will be given a times table to practise ready for a test on Thursday in their planners. Children can practise using Times Table Rockstars (their log in details are in their planners.) They also will be given 10 arithmetic questions which they can access on Google Classroom.

## Extra

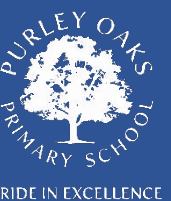

Children should count in multiples of 6, 7, 9, 25 and 100; find 100 more or less than a given number; recall all times tables facts and associated division facts up to 10 x 10.
