

Key Question: Do we all like to be beside the seaside?

What is the seaside like?

Geographical Vocabulary

coast

the area where the sea and land meet.

ocean

a body of salty water that covers 70.8% of the Earth.

sea

a part of an ocean that is next to land.

beach

a beach is the land along the coast of an ocean, sea, lake, or river. It is usually sand, or pebbles.

atlas

an atlas is a book that shows a variety of different maps at different scales.

physical features

natural features on the Earth's surface.

In this topic, **we are learning to:**

- say what we like and don't like about where we live and the seaside and describe the physical features;
- name the continents and oceans of the world and find them in an atlas;
- name the major cities of England, Wales, Scotland and Ireland;
- find where we live on a map of the UK.

6 questions you will know the answers to...
